

As a USAF retired systems engineer turned Baptist Preacher of the Gospel of our Lord Jesus Christ, and armed with a staunch belief in the preserved accuracy of the inspired Scriptures, I praise the Lord that he has provided me the unique opportunity to assemble  
**“A Systematic Theology for the 21st Century.”**

**Volume 1 Prolegomena** – the introduction to the 10 volumes of Systematic Theology. *“Let not the wise man glory in his wisdom, neither let the mighty man glory in his might, let not the rich man glory in his riches: But let him that glorieth glory in this, that he understandeth and knoweth me, that I am the LORD which exercise lovingkindness, judgment, and righteousness, in the earth: for in these things I delight, saith the LORD.”* Jer.9:23-24.

**Volume 2 Bibliology** will not be a Bible study, it will be a study of the Bible. What is it? Who wrote it? How did we get it? How accurate is it? How preserved is it? Sixty-six books written by forty authors over fifteen-hundred years that asserts itself to be inerrant, infallible, and verbally inspired. A thorough study is pertinent. The word Bibliology is derived from two Greek words, Biblos and logos. The former, of course, is a book, and/or a written document and the latter word “Ology” means a word, a discourse, a doctrine, a teaching, a matter under discussion, a thing spoken of or talked about, also the mental faculty of thinking, meditating, or reasoning about. It is so much bigger than a study. There really is no English equivalent that can capture the depth of ology in Bibliology. This work starts one on such a path of study. Please, God, bless this effort.

Vol 01 Prolegomena - Vol 02 Bibliology

A Systematic Theology  
for the 21<sup>st</sup> Century -
