

God built man with an inner knowledge of the Creator's eternal power and Godhead. Further, God reveals to every man, his wrath against all ungodliness. This true Light *"lighteth every man that cometh into the world."* Man needs born-again salvation.

**Vol 06 – Anthropology** - *And God said, Let us make man in our image, after our likeness: ... So God created man in his own image, in the image of God created he him; male and female created he them.* Having thoroughly considered the nature of God, we now consider the nature of man. Anthropology is the doctrine of man, or a discourse on human nature.

**Vol 07 - Hamartiology** - Man's plight in this world is sin, in Greek *hamartia*; thus Hamartiology" is the expansion of all that could be said about sin. In this systematic theology it is all that can be Biblically said about sin, and herein "Biblically" means from a fully believed, inerrant, infallible, verbally inspired, holy Bible. *"Wherefore, as by one man (Adam) sin entered into the world, and death by sin; and so death passed upon all men, for that all have sinned"*

**Vol 08 - Soteriology** - *How shall we escape, if we neglect so great salvation; which at the first began to be spoken by the Lord, and was confirmed unto us by them that heard him; God also bearing them witness, both with signs and wonders, and with divers miracles ...*

There is no greater theme extending from Genesis to Revelation, in the Holy Bible, than that of so great salvation, or soteriology.
