

This is a Systematic Theology work that has the inerrant, infallible, verbally inspired word of God as its sole authority. Baptists, by definition, have the Holy Bible as their sole authority for all faith and practice. They should have a systematic theology book that does as well. Dr. Rice's staunch belief in the preserved accuracy of the inspired Scriptures and his extensive background in systems engineering make him uniquely qualified to assemble a systematic theology. This book contains Volumes 11 and 12 of "A Systematic Theology for the 21st Century" covering the Bible doctrine of Eschatology, the Doctrine of Last Things, and an Epilogue Summarizing all Volumes

### Vol 11 Eschatology The Doctrine of Last Things

The Holy Bible, as "Thus saith the LORD", portrays the past, the present and the future; that is, all the past of this universe, all the present of our circumstance, and all the future through eternity. *"Behold, he cometh with clouds; and every eye shall see him, and they also which pierced him: and all kindreds of the earth shall wail because of him. Even so, Amen."* (Revelation 1:7)

The fulfillment of Biblical prophecy of end times has, in the past, by sincere but misled scholars and theologians, been shrouded in mystery and allegorical misinterpretation. It need not be. When a Bible student keeps God's larger picture in focus, the coming Kingdom age, where the Messiah, the only begotten Son of God, rules this world from the throne of David set in God's holy hill of Zion, Biblical prophecy is no mystery, but a mainstay for the Bible believer!

**Vol 12 Epilogue** contains the introductions, table of contents and conclusions for eleven previous volumes of "A Systematic Theology for the 21st Century": The organization of this systematic theology follows the traditional structure of: Prolegomena, Bibliology, Theology, Christology, Pneumatology, Anthropology, Hamartiology, Soteriology, Ecclesiology, Angelology, and Eschatology.
